

**MAHYAR MOLAYAN**

# BIOGRAPHY

Born in Iran in July 1998, this multi-talented individual holds a degree in architecture, has delved into acting with a few notable experiences, and expresses their creativity as a singer and songwriter.

## STUDIES

Introducing Mahyar, a dedicated and ambitious individual. He completed his architecture studies at the esteemed Politecnico di Milano and then decided to further enhance his skills with a course in management. Not only this, but he has also been nurturing his passion for acting since 2017, alongside his academic pursuits. His ability to balance multiple commitments is truly commendable.

## **WORLD WIDE WOUND**

Mahyar kicked off his acting career with a role in a short film called "World Wide Wound." The film was a hit, making its way to the well-known Orlando Film Festival in 2020.
