About me

I'm an English native speaker with a British and German Passport. I speaks fluent German with a British accent and can speak English with a German accent 😊.

I've performed regularly in local community theatres and films since 1995. In 2016 I retired from my Bread and Butter job in the I.T. Industry and went to drama school and then graduated as a professional actor in 2020. I'm retired. I have a pension. I'm living the dream! When I'm not acting, I'm singing and playing music. Life is good! I'm also listed on Spotlight, and the U.S. site Casting Networks
