PERFORMING ARTS EDUCATION

Acting	08/2024 - 11/2024
The Acting Muscle	Berlin, Germany
<ul style="list-style-type: none">Core Technique: This foundational course focuses on the fundamentals of acting, including text analysis, understanding given circumstances, identifying conflicts, and learning the actions characters take to achieve their objectives.Creating Character:An advanced course that builds on Core Technique, emphasizing the craft of creating believable human characters. It involves making bold physical, vocal, and linguistic choices, as well as exploring advanced vocal production, articulation, and physical characterization techniques.	
Improv	01/2023 - 04/2024
Instant Improv Berlin	Berlin, Germany
<ul style="list-style-type: none">Presence & Spontaneity: An introductory course focusing on becoming a good listener, making spontaneous choices, and working collaboratively as a team.Narrative: Delves into the "story" aspect of improvisation, teaching how to infuse scenes with compelling narratives on the spot.Character: Focuses on creating dynamic, memorable stage characters by making them relatable and conveying their essence through physicality and bold choices. Developed the ability to quickly transition between roles while exploring character work through short-form scene games and long-form scenes.Musical Games: Explores the use of music in improvisation through short-form games and scene work, focusing on listening skills, bold choices, and teamwork.Patterns & Repetitions: This course emphasizes recognizing and utilizing recurring themes and actions within scenes to enhance comedic timing and narrative coherence.Direction: Focuses on guiding scenes and narratives, understanding scene dynamics, and making strong choices to drive improvisational storytelling forward.Long Form: Concentrates on extended improvisational formats, teaching the skills necessary to sustain longer narratives, develop complex characters, and create interconnected scenes without a script.	

Acting	12/2021 - 02/2022
RemarkaFilm School	Kyiv, Ukraine
<ul style="list-style-type: none">Acting Mastery: Focuses on mastering acting techniques, scene study, character development, and performance skills to enhance stage and screen presence.	

Filmmaking Course	2019 - 2020
Kyiv Academy of Media Arts	Kyiv, Ukraine
<ul style="list-style-type: none">Filmmaking: Comprehensive training in the complete video production process, including scriptwriting, directing, filming, and editing for commercials, music videos, and short films. Emphasizes teamwork to address real-world visual and technical challenges faced by directors, while building familiarity with various on-set roles and responsibilities.	

PROFILE

I am a Berlin-based creative and passionate actress with a strong foundation in filmmaking, editing, and videography, built over six years in the audiovisual industry. I started my journey behind the camera as an editor and videographer, where I honed my skills in visual storytelling and developed technical expertise with cameras and audio. Now working in front of the camera, I bring a unique perspective and versatile skill set, combining my technical background with my artistic expression to deliver compelling performances.
