

CLAUDIA SANTAMARÍA

ABOUT ME

I am a multidisciplinary performer with a strong foundation in classical and contemporary dance, complemented by training in singing and acting. My artistic identity is rooted in movement, and dance remains the core of my expression.

My career has taken me to the finals of YAGP and to the semi-finals of Malta's Got Talent and La Voz Kids España. On stage, I have embodied roles such as Matilda and Hortensia in Matilda the Musical, Alice in the full-length ballet Alice in Wonderland, or Clara in The Nutcracker. I have also worked in film, commercials and theatre.

Today, I am honoured to be part of **Nacho Duato's Dance Company** in Madrid, where I continue to refine my technique and artistic voice within a professional environment.
