

LEONARDO PANCISI

YOUNG FILM ACTOR

PERSONAL PROFILE

I am a young and aspiring actor from Switzerland. I have just finished acting in a short film called "The Pawn" in which I played the role of a young aristocrat named Nathaniel Briggs. Further I was in the casting for the new swiss family film "Mein Freund Barry" in which I got to the third casting round. I have been asked to record my voice for a big swiss brand advertisement. I have a natural way of acting and like to play roles which have great emotional depth.

ACTING EXPERIENCE

Major supporting Role

THE PAWN (2026)

"LEONARDO PLAYED A YOUNG NOBLEMAN IN THE GRADUATION PROJECT "THE PAWN" AND IMPRESSED WITH HIS PROFESSIONAL AND DEDICATED PERFORMANCE. AS THE DIRECTOR, I WAS VERY PLEASED WITH HIS INDEPENDENT AND MOTIVATED WORK ETHIC, HIS TIRELESS COMMITMENT, AND HIS CREATIVE IDEAS – THE COLLABORATION WAS A GREAT PLEASURE. WE WOULD GLADLY CAST HIM AGAIN ANYTIME."
